Note: The premiums shown represent the nonsmoker cost per member per month for Affordable Care Act (ACA) compliant plans based on the age and geographic location you have selected. Premiums for ACA compliant plans may only be based on age, geographic location, family composition, and tobacco use. The plans displayed may or may not include pediatric dental benefits.

The Division of Insurance reviews individual and small group market rates to ensure they are adequate, not excessive and not unfairly discriminatory.

To shop for insurance plans the Nevada Division of Insurance recommends utilizing the services of a licensed health insurance broker. You may also shop for plans that are offered on the Nevada Exchange by visiting NevadaHealthLink.com (also known as the Silver State Health Insurance Exchange).
